

# Melody

Designed in 2008

The oscillating Melody, 3-speed wall-mounted fan, designed in the Art Nouveau style with a grand, arching gooseneck, provides maximum multi-directional airflow with its 90° left to right sweep. Melody can be mounted in small, awkward spaces or in front of HVAC ducts to improve the efficiency of the heating, ventilation or air conditioning of any space. Constructed of cast aluminum and heavy stamped steel, the Melody carries a limited lifetime warranty.
